

# PENINSULA PRIDE FARMS

## 2020 Peninsula Pride Farms Member Practice Survey

Peninsula Pride Farms (PPF) requests current and future members take this brief survey to understand what conservation practices are being done on the land and to track our group’s progress. This survey will also help PPF get a sense of what members are interested in, so we can serve you better. **Identifying member information will remain confidential** and only aggregated results will be shared publicly to promote our progress and outcomes.

**\*\*\*Surveys must be completed by November 15<sup>th</sup> to be eligible for cost-share.**

Please place a check mark in the column most applicable to you and your farm and **if you are using a tool or practice, please let us know how many acres that practice is used on**. If you have any questions while completing this survey, please email Steve Richter at [srichter@TNC.ORG](mailto:srichter@TNC.ORG). Thank you!
