

# PENINSULA PRIDE FARMS

## 2023 TNC Cover crop trial cost-share program application – **Due Dec. 1, 2023**

To promote adoption of conservation practices, Peninsula Pride Farms (PPF) is offering cost-share funds to farmers to do trials of cover crop and planting green. This program is open to members and non-members and has three options (Choose one):

- **Plant cover crops that survive the winter:** \$40 per acre for up to 25 acres. Members and non-members who have not planted cover crops as a new practice and agree to do so in the fall of 2023.
- **Plant a multispecies cover crop mix:** \$60 per acre for up to 25 acres on new acres only. Members and non-members who are planting a multi-species cover crop mix over the winter of 2023. At least one species must survive the winter.
- **Plant green into a winter cover crop in the spring of 2024:** \$60 per acre for up to 25 acres on new acres only. Members and non-members who plant green into a cover crop in the spring of 2024. The cover crop must not be grazed, hayed, or terminated until the spring crop is planted. Termination requirements are no more than a week before planting.

**All individual farm data is confidential. Complete the form and provide field maps by December 1 to enroll.**
